- All recycling carts **must** be placed curbside by 7 a.m. on your scheduled service day.
- Recycling **will not** be collected if it is bagged or if the cart is overfilled. Do not place trash in the recycling cart.
- Place the recycling cart in the street with the wheels against the curb or within 2 feet of the blacktop.
- Place recycling carts 3' from other carts and 5' from mailboxes, poles, fences, trees or parked vehicles.
- Make sure there is a minimum of 14' of overhead clearance above the recycling carts (wires, tree limbs, etc.)

Trash service will still be collected weekly. Please call **435.615.8311** with any questions or concerns, or visit [Summitcounty.info/recycle](https://summitcounty.info/recycle) for a list of acceptable/unacceptable items.

Winter Service Policy

If your recycling and/or trash is not picked up on your service day, bring your carts in after 7 p.m. Put them out again the next morning by 7 a.m. for pickup. If the carts are still unable to be serviced, they will not be collected until the next regularly scheduled service day (the following week for trash or two weeks for recycling). Red holidays will delay service by one day.

Please visit RepublicServices.com/municipality/summit-county-ut to learn more about winter service, how to sign up for phone notifications, and more.
